

## Refund Policy

Money refund Policy at WebTech-Global

WebTech-Global adopts various refund policies related to different services. For more details refer to individual service agreement.

WebTech-Global does not guarantee any refunds for the cancellation of its service. We will act upon the agreement signed, accepted on email, signed electronically or physically signed between the client and [www.webtech-global.com](http://www.webtech-global.com) for outside India, for Indian client and Outsource.

WebTech-Global does not offer any reimbursement for transaction charges (And or bank charges), Amount paid to third parties, for the services already rendered or any other miscellaneous charges, that are non-recoverable for WebTech-Global.

Reasons for cancellation	Amount	Explanation for Refund Amount
<b>Order Cancellation After Making the Payment</b>		
Within 24 Hours-after placing order	Up to 90% of the order value	We deduct 10% amount because we incur cost for payment gateway and accounts when we return the money.
Within 2-3 Days-after payment/advance payment	Upto 50% of the order value	Backend/Technical team gets assigned into the jobs after payment confirmation so we deduct 50% amount of payment.
After 3 days from the date of confirmation	No Refunds	No refunds are possible.
